20% Test  
35% Projects

*Spanish, Latin, and Journalism will follow LA  
Math interventions will follow MA*

Retake Policy - Student may retake one unit assessment per nine weeks per subject. The higher grade will be placed in the grading book. Before a retest can be issued a re-teaching session should be held before the re-test, and the re-test should be taken before the next major assessment.

Each team will develop their own procedures to implement the retake policy.
